

# DECLARATION OF CONFORMITY (Manufacturer's Declaration)

## 1. Manufacturer

Name. **C-Fire Belgium**

Address: Frank van Dyckelaan 3  
B-9140  
Temse  
Belgium

## 2. Product Identification

Product name. **Flamblocker CF7**

Product type: Fire Suppression Liquid + Additive for equipment under the pressure.

Description: Wetting agent intended for use in fire-fighting and fire suppression applications.

## 3. Declaration

We hereby declare under our sole responsibility that the product identified above is in conformity with the applicable European Union and United Kingdom product safety and chemical legislation, as listed below.

## 4. Applicable EU Legislation

The product complies with the following European Union regulations, as applicable:

- Regulation (EC) No 1907/2006 (EU REACH)  
Registration, Evaluation, Authorisation and Restriction of Chemicals
- Regulation (EC) No 1272/2008 (EU CLP)  
Classification, Labelling and Packaging of substances and mixtures

The product is classified, labelled, and supplied in accordance with the above regulations.

A valid EU Safety Data Sheet (SDS) is available.

## 5. Applicable UK Legislation

The product complies with the following United Kingdom regulations, as applicable:

- UK REACH  
Retained Regulation (EC) No 1907/2006 as amended under UK law
- GB CLP  
Retained and amended Regulation (EC) No 1272/2008

The product is classified, labelled, and supplied in accordance with the above UK regulations

A valid UK-compliant Safety Data Sheet (SDS) is available where required.

## 6. CE and UKCA Marking

- CE marking:  
Flamblocker CF7 does not fall within the scope of any European Union Directive or Regulation requiring CE marking.  
CE marking is therefore not applicable to this product
- UKCA marking:  
Flamblocker CF7 does not fall within the scope of any United Kingdom legislation requiring UKCA marking  
UKCA marking is therefore not applicable to this product.

CE or UKCA marking may apply to systems, equipment, or installations in which this product is incorporated. In such cases, conformity marking is the responsibility of the manufacturer of the final system or installation.

## 7. Additional Information

This Declaration of Conformity is issued based on the manufacturer's technical documentation and internal compliance assessment.  
It applies to the product as placed on the market by the manufacturer.
