

MANUFACTURER'S STATEMENT SHELF LIFE DECLARATION

Manufacturer:

C-Fire NV
Frank Van Dyckelaan 3
9140 Temse
Belgium

Product Identification:

Product name: CF7 – All Purpose Wetting Agent
Product type: Fire extinguishing and cooling liquid additive
Applicable fire classes: A, B, D, F, E

Statement

C-Fire NV, as the manufacturer of the above-mentioned product, hereby declares under its sole responsibility that:

- The product CF7 – All Purpose Wetting Agent has a guaranteed shelf life of minimum twenty (20) years from the date of delivery;
- The product maintains its functional and performance characteristics during this period, provided that it is:
 - Stored in original, sealed packaging;
 - Stored under normal storage conditions, protected from extreme temperatures and contamination;
- Based on formulation and manufacturing characteristics, the product is known to exhibit no degradation in performance over time, and may therefore be considered to have an extended or practically unlimited shelf life, as also reflected in the Safety Data Sheet and technical documentation.

Purpose of Declaration

This statement is issued for the purpose of participation in public procurement procedures and to confirm compliance with applicable technical requirements regarding product shelf life.

Place of issue: Temse, Belgium
